Luggage Handling

Prior to arriving at the pier, please ensure that all Princess luggage tags are attached (additional Princess luggage tags may be obtained at the pier). This is in addition to your personal identification tag.

Curbside porters are available at the pier to take luggage to the vessel for delivery by shipboard personnel to your stateroom. It is customary to tip porters for their service. Please be advised that curbside porters are not employees of Princess Cruises. You are responsible for your belongings at all times.
